

Tool & Die Design/Engineering

Tool Room

- CNC Machining
- Wire EDM
- Fixturing
- Grinding
- Precision Die Assembly

Tool Room Equipment

- Fully equipped machining center
- Agie EDM
- Toyoda CNC Machining Center

Dies Produced

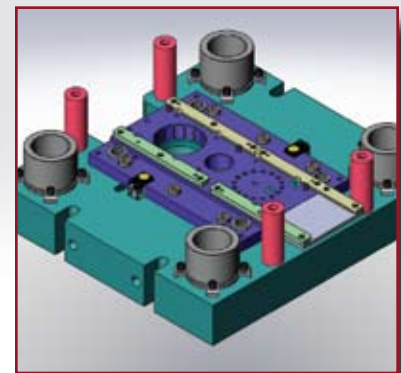

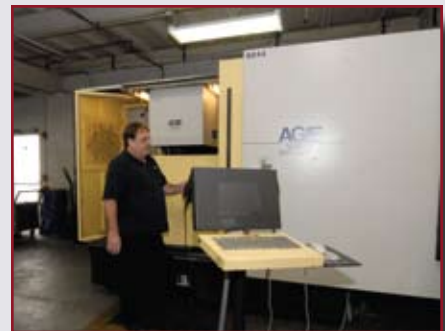

- Compound
- Progressive
- Notching
- Forming
- Shallow Draw

Die Material

- Carbide
- High Speed Steel
- A2, D2

Engineering

- CAD 2D, 3DQuickpress, and SolidWorks programs
- On-site Support and Analysis
- Reverse Engineering
- Product Development Consultation
